

### **REMARKS/ARGUMENTS**

This is a complete and timely response to the Office action of July 7, 2007. The application has been placed into allowable condition as required and reconsideration of the application is respectfully requested.

5

#### **1. Background**

Claims 4-6 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claims 34-42 are subjected to a restriction requirement and have been withdrawn by the Examiner.

10

#### **2. Response**

Without disclaimer of any kind, the applicant has chosen to amend claim 1 to include the limitations of allowed claim 4 and intervening claim 3, and claims 3-4 have been cancelled.

15

Additionally, new independent claim 43 and new claims 44-51 dependent thereon have been introduced. Claim 43 comprises the limitations of claims 1, 3, and allowed claim 5. Claims 44-51 accordingly and respectfully correspond to original claims 2, 4, and 6-11. No new material has been introduced.

20

Also without disclaimer of any kind and retaining any and all rights regarding reintroduction of the subject matter of restricted claims 34-42, claims 34-42 have been cancelled.

The applicant believes that the application is now in condition for allowance as required and respectfully requests that a timely Notice of Allowance be issued in this case.
